# Warranty

# Warranty Information

- The Amalgatome MD is covered under a one (1) year warranty from the date of purchase.
- This covers all parts and includes free service and repair during this period (for both complaints and non-complaints).
- Exsurco Medical reserves the right to bill under the warranty period for the repair service and parts if it is deemed that the customer has repeatedly abused the device.

# Warranty Information

- An extended warranty can be purchased as well. Request information through our sales team at: [sales@exsurco.com](mailto:sales@exsurco.com)
- Note: if product is tampered with or any internal repairs are made (including external repairs, additional holes or drilling modifications) the warranty will be voided and charged for service and repair.
