

Dear Valued Customer:

Thank you for ordering the Exsurco Medical Amalgatome[®] SD Skin Grafting and Wound Debridement System. The contents inside this carton contain the complete system as required. Items below are packaged separately for protection during shipment.

After receipt, please open each individual box of components and inspect for damage. The information below details the individual part numbers required to use the system with the exception of sterile, disposable blades which must be purchased separately. You will also find a quick visual guide showing the designated marked location for each component placed within the sterilization tray.

WARNING: THIS PRODUCT IS SHIPPED NON-STERILE AND REQUIRES FURTHER PROCESSING PRIOR TO USE.

Quantity	Part #	Description
