

Amalgatome® MD (AMD) Blade Expiration Notification

Date: March 27, 2019

Re: Exsurco Amalgatome® MD Blade Shelf-life

Dear Customer,

This notification is to inform you regarding your purchase of Amalgatome MD Blades with a 6-month shelf-life. Part number affected is referenced below indicating a shortened expiration date. This is a limited production run. Exsurco's standard policy is to provide product with a 2-year shelf life/expiration on the sterile MD Blades. This policy will resume in subsequent production lots.

Please ensure the referenced lot numbers are utilized as soon as possible in a Last In- First Out (LIFO) manner to eliminate the possibility of expired product.

Lot Number/ Part Number affected:

Part Number	Description	Lot Number	Exp. Date
X100457	Amalgatome MD Blade	X-0000000000087	09/19

Thank you for your patience and continued business. Should you have any questions please contact us at (440) 204-3286.
